E. Tues. 5 July GCR Plan Continues to Unfold on the Global Stage – Saudi Arabia Considers Joining BRICS Alliance <https://dinarrecaps.com/our-blog/our-gcr-continues-to-unfold-in-real-time-by-awake-in-3d-7-5-202>

- If Saudi Arabia joins BRICS it's game-over for the US Dollar as two thirds of the world's population will have the option to buy energy in their native currencies.
- If this happens, the USA will no longer enjoy exporting its debt or maintain its record high global trade deficits. Furthermore, if BRICS+ nations follow Russia's lead in adopting a non-fiat digital currency backed by gold and other natural resources, the USA and European financial systems will be thrown into a death spiral of non-payable debt and currency debasement.
- **The only alternative at that point will be for the "Corporate USA" to be dissolved once and for all, releasing the GCR gold-backed USTN and the General Redemptions of Historical Bonds & Currencies.**
- The PetroDollar is not a formal market or a currency. It is an idiom (catchphrase) that became popular financial vernacular since the 1970's. The term simply refers to global oil and gas contracts transacted in US Dollars. More importantly, it supports continuous, strong demand for USD worldwide in order to settle these contracts allowing the USA to export its debt by selling US Treasury Bonds (debt) abroad.
- **As the world's largest exporter of oil, Saudi Arabia is the lynchpin of the "PetroDollar" system.**
- If Saudi Arabia joins BRICS+ and pivots away from issuing contracts in USD, global demand for US treasury bonds will decrease significantly causing treasury yields (interest rates on USA debt) to skyrocket. Additionally, the need for nations to hold US Dollars as sovereign currency reserves will decrease in favor of other Reserve Assets.
- This means that many countries will begin to sell their Dollar reserves on the open market (the EuroDollar system) creating an oversupply of dollars and under supply of demand for dollars.

- Thus begins the collapse of the USD globally leaving the US Treasury unable to pay the high interest rates on its debts. **Game Over. Enter the end of the FED and the introduction of the new, asset-backed USTN currency and our GCR General Redemptions.**

I. Riots, Protests:

- **Netherlands:** Farmer Protests continue in the Netherlands: the regime attempted to rollout the NWO, Agenda 21 and ban livestock farming, so this is what the farmers and citizens did to the regime. This needs to happen worldwide. Well done to the Dutch people.

- **Netherlands:** Small farmers in the Netherlands are desperately fighting back against their government's "radical" nitrogen emissions policy, says Sky News host Rowan Dean.
- **Benjamin Fulford:** In Europe, farmers with tractors — the modern equivalent of pitchforks — went on the warpath. This is most evident in the Netherlands, where manure is dumped on the lawns of politicians, and borders and airports are closed by farmers outraged by poorly planned restrictions on nitrates. Demonstrations in favor of the unification of Europe from Lisbon to Vladivostok have begun in Poland and elsewhere.
- **Dutch Protestors pour manure over government offices over industry killing regulations.** Dutch farmers who have been protesting for weeks over the government's radical plan to cut nitrogen emissions by 50% - 95% by 2030 have taken things to the next level - pouring manure on government offices in response to the plan which would cause widespread chaos - including the death of 1/3 of Dutch farms:
<https://www.zerohedge.com/commodities/dutch-protesters-pour-manure-government-offices-over-industry-killing-regulations>
- **Dutch fisherman** join the farmers protests by blocking major ports.

- **US Court Ruling** may take 700,000 Trucks off the road.
- **China not shipping anything out right now.**
- **Sri Lanka** out of food, fuel
- **Amazon shutting down 16 warehouses** because of lack of inventory.
- **Romania:** A wheat field is on fire in western Romania. The fire has covered about 100 hectares. The reason is supposedly the extreme heat: the last days the temperature here reaches +40 ° C.

K. Covid/ Monkey Pox/ Vax Hoax:

- **The Russians captured a large number of migratory birds** that had been numbered and had microchip-controlled capsules containing various plagues attached to their bodies, Russian and Chinese sources add. When these birds fly to Africa, Asia, Latin America etc. the plague vials could be opened by satellite command where they would cause the most damage.
- **DOD to discharge over 700 pilots for violating vaccine mandates amid pilot shortage:** https://www.theepochtimes.com/dod-to-discharge-over-700-pilots-for-violating-vaccine-mandates-amid-pilot-shortage-facts-matter_4572265.html

L. White Hat Intel:

- **ALL Governments in the WORLD** are being removed by MILITARY.
- **Everything Connects:** The Event - 34 Buildings bombed, Dams etc. Global Stock Market Collapse via precision Cyber Attacks. Think Executive Order 1221.
- **Once Governments are removed,** Federal & State Etc, we will be electing people governments that are 10% the size of what they are currently.
- **There will never be 2 Party Preferred Politics ever again.** No more Democrats, No More Republicans, No More Liberal, No More Labor.
- **If elected Governments do not work FOR THE PEOPLE they will be removed** by the Military. They will only be 20 to 25 People sized.
- P.S I think U.S only has to elect Congress.
- **George Soros has controlled Ukraine since 2012** and was inserted by the DAVOS Group backed by Obama, UN, NATO, CIA (all the same individuals who created the Plandemic, backed the vaccines companies and suppressed vaccine deaths through controlled Media and Big Tech).
- **The Deep state created a CIA playbook Colour Revolution in Ukraine in 2014** and used students in the coup. Since then the Deep State had been robbing Ukraine of it's natural resources and products they produce. The Davos Group subsidiary companies/ Clinton's/ Biden have stolen from Ukraine and laundered over 7 trillion dollars through the Ukraine Deep State government.
- **Russians accused President Joe Biden,** former President Barack Obama, former Secretary of State Hillary Clinton, and billionaire George Soros of involvement in the Plandemic conspiracy. The Chinese and Russians insist that "whoever commits such immoral and inhuman acts must be punished."
- **The Russians note that since the Americans broke a 1976 treaty** not to use biological, weather manipulating, earthquake causing and other weapons of mass destruction, they are now entitled to use their own arsenal of such weapons.
- **The head of MI6, upon getting this evidence promised** "We will sanction the United Nations on a shoot to kill." In other words, the named officials, including those working at the WHO and UN, will be shot on sight.
- **The US military, meanwhile, responded by sending** –in defiance of the Biden regime- a military plane with more than 100 generals representing all military units to avoid a comprehensive nuclear war the KM was trying to trigger, Pentagon sources say.
- **As a result of this meeting "Biden's days are numbered,** regimes will collapse and heads of those countries participating in this scheme will be overthrown," the sources promise.
- **World war ESCALATION** being aggressively pushed by Biden and NATO because tyrants need a food scarcity crisis to reach global depopulation milestones
- **Biden and NATO don't want peace in Ukraine.** They need a world war in order to pick up their depopulation agenda that didn't achieve the extermination milestones they had hoped to achieve with Covid vaccines.

- **The Covid Plandemic** was launched in order to achieve two key things: 1) Rapid expansion of authoritarianism by terrorizing the population with covid fear, and 2) Global depopulation / extermination through Covid vaccines which are actually gene-altering infertility jabs and “clot shots.” These jabs also alter human DNA and result in gradual cancer deaths over a decade. (You will see huge spikes in cancer deaths for 2021 and 2022 once the numbers are officially reported.)
- **Financial analyst Edward Dowd**, who works with statisticians that are analyzing CDC data, has concluded there are so far 1.1 million excess deaths in the United States since the vaccine push began.
- **Even 1-2 billion deaths from the vaccine isn’t enough for the satanic globalists.** Unfortunately for the globalists, the vaccine extermination agenda failed to achieve their depopulation milestones. Although 1-2 billion people will likely die from mRNA vaccines over the next decade (from heart attacks, strokes, blood clots, etc.), this is nowhere near the 7+ billion deaths that the depopulation globalists are trying to achieve.
- **In order to achieve the much larger die-off they desire**, globalists need to decimate the global supply chain that provides food and energy to the world. These are also interrelated since energy (in the form of natural gas) creates nitrogen-based fertilizer that’s used to produce food. In addition, energy is a critical farm input in the form of diesel fuel that powers tractors and transportation trucks.

M. Tues. 5 July Benjamin Fulford Report:

- **The second American revolution is underway**, but this time it will affect the whole world, not just the United States. At the global level, the "rules-based world order" (we rule, you obey) is negotiating surrender to the global freedom alliance, numerous sources agree. This can be confirmed in many different and seemingly unrelated messages.
- **Let's start with the reaction of the world to the call of the Khazar mafia actor Vladimir Zelinsky** to exclude Russia from the UN Security Council. This was Russia's response: "Russia's exclusion from the UN Security Council (UNSC) is possible only if the entire organization is dissolved and recreated," said Dmitry Polyansky, Russia's first deputy permanent representative to the UN. <https://is.gd/jizI3l>
- **This is exactly what the talks will be about this week, when representatives of the G20 countries meet in Indonesia.** There, Russian Foreign Minister Sergei Lavrov will lay out the arguments for a complete restructuring of the UN and so on. "The fact is that developing countries are catastrophically underrepresented," Lavrov said. <https://is.gd/9neMf4> <https://is.gd/HNb5yo>
- **The movement to replace and renew the UN, World Bank, BIS, IMF, etc. controlled by the Khazar mafia** is supported by an international boycott of the G7 group of countries controlled by the XM. Now the G7 controls only 31% of global GDP and 11% of the world's population. And this means that they will lose the hybrid war that is currently being waged against them.

- **As we reported last week, a whole group of countries, including Iran, Saudi Arabia, Argentina and Indonesia,** have applied to join the BRICS (Brazil, Russia, India, China and South Africa) to publicly oppose the G7 bloc. <https://is.gd/KfZ7AA>
<https://is.gd/aZGuCB>
- **This will be supported by an energy and economic boycott,** which in a few months will almost completely stop the economy of the G7 countries. Europe is already cut off from Russian gas. Oil and gas supplies from Libya and Algeria have also been stopped. This happened at a time when half of the French nuclear power plants were shut down due to "mysterious problems". Sources in the Middle East in the Green Dragon Society say that the next step will be to stop the production of Middle Eastern oil.
- **The United States is also cut off from international oil markets** and will use up its strategic oil reserves by the end of the year. Sources promise that the beggarly mission of fake President Joe Biden to the Middle East at the end of this month will not help.
- **Now Japan is the next target after Deputy Prime Minister Fumio Kishida** publicly announced his submission to the HMM. Russia has started nationalizing the Sakhalin-2 gas project, which provides 10% of Japan's gas needs. This gas will be turned off soon. <https://is.gd/fwGcWv>
- **In addition, Japan will have a long hot summer** due to sabotage at its nuclear power plants. <https://is.gd/UZM4t3>
- **Then interruptions in oil supplies from the Middle East** this fall will stop the Japanese economy, as well as the economies of other G7 colonies.
- **That's why the G7 will have no choice** but to try to strike a peace deal with the rest of the world at the G20 meeting in Indonesia this week.
- **In preparation for this, the avatar of Russian President Vladimir Putin went to Indonesia last week to meet with Indonesian President Joko Widodo (Jokowi).** Sources in Indonesia say that Putin has offered Indonesia to help build a new capital in Borneo. Moreover, the Russians promised that it would also be the capital of a new region of East Asia and Oceania, sources say. The EAO will become one of the seven regions that will replace the current UN Security Council, which is dominated by the G7.
- **This measure to create a new capital** for a new regional grouping is something that pops up at the G20 summit. They will discuss a complete restructuring of the post-war Bretton Woods system, according to sources in MI6. This needs to be reworked as soon as possible as the old system is collapsing.
- **In Europe, farmers with tractors** — the modern equivalent of pitchforks — went on the warpath. This is most evident in the Netherlands, where manure is dumped on the lawns of politicians, and borders and airports are closed by farmers outraged by poorly planned restrictions on nitrates.
- **Demonstrations in favor of the unification of Europe** from Lisbon to Vladivostok have begun in Poland and elsewhere.

- **Meanwhile, the EU regime is so corrupt that it publishes only outright lies instead of real economic data.** Otherwise, why would the European Statistical Office Eurostat say this about how they calculated the so-called inflation of 8.6%: "there are no relevant data or they are subject to statistical confidentiality." These are the actions of a failed regime.
- **At the same time, the Second War of Independence is raging in the United States and the fall of the false Biden regime is inevitable.** Opinion polls now show that 85% of Americans believe that the country is moving in the wrong direction. They also show that the overwhelming majority believes that "the government is corrupt and set against ordinary people like me." Other polls also show that 37 million gun owners are now ready to take military action against the fake Biden regime and its supporters.
- **Gun owners are forced to take action** because the police can't. In Chicago, for example, in 2021, the police did not respond to 406,829 incidents that posed an "imminent threat to life, bodily injury or major property damage/loss." This is 52% of all such high-priority calls to the emergency service.
- **Dr. Henry Makow expresses a general opinion about the failed leadership of HM in the United States when he says:** "Their contempt can be seen in the fact that they made Barack Obama, a homosexual married to a transgender, president. Then they rigged the elections and put a senile pedophile, a criminal and a traitor, with a pedophile pervert son" (<https://t.me/draftworld/70>)
- **As one of the NSA sources notes,** everyone in the armed forces and agencies that still support these people are "mushrooms who are kept in the dark and fed nonsense. These people don't take human life into account, they stuff you with PORN FEAR because it fills their pockets. Vanguard and Blackrock are among the largest shareholders of the Bavarian Nordic company, which produces the Jynneos monkey vaccine. The largest shareholder is Invesco, which by "coincidence" cooperates with the World Economic Forum. The share began to grow rapidly on May 9, 2022," a source in the Mossad reports.
- **Such insight causes more and more rats to leave the sinking ship of US Inc.** For example, Jeffrey Sachs, a super-insider, recently became a villain and provided valuable and powerful information to help liberate the American people.
- In particular, he pointed to the following people as the key leaders of the future world dictatorship of HMM: Leo Strauss , a political scientist at the University of Chicago , and Donald Kagan , a classical scholar at Yale University . Among the leaders of the neoconservatives were Norman Podhoretz, Irving Kristol, Paul Wolfowitz, Robert Kagan (Donald's son), Frederick Kagan (Donald's son), Victoria Nuland (Robert's wife), Elliott Abrams and Kimberly Allen Kagan (Frederick's wife).
- **Sachs, who identifies HMM as "Neocons," says that their "opinion is based on a common false premise:** the military, financial, technical and economic superiority of the United States allows them to dictate conditions in all regions of the world." He also came as close as he could (I think he fears for his life) to accuse these people of attempted

genocide when he said, "I was chairman of the Lancet Covid commission for two years. I'm pretty sure it came from the American Biotechnology Club. We don't know for sure, but there is enough evidence. [But] this is not being investigated, either in the United States or anywhere else." <https://t.me/draftworld/71>

- **Sachs isn't the only high—profile insider to drop out in recent weeks. Jeff Bezos** also came out and insulted fake screenwriter Biden with this tweet about inflation: "Oh. Inflation is too important a problem for the White House to continue making such statements. This is either straightforwardness or a deep misunderstanding of the basic dynamics of the market." <https://t.co/XgKfEICZpk>
- **We also see high-ranking agents of HM running to the Pope in search of protection.** For example, last week Nancy Pelosi and her husband went to meet with the avatar of Pope Francis. However, they failed to get protection. Vatican expert Moynihan reports: "The Pope did not give Nancy Pelosi Holy Communion. But that was what she was playing on. She wanted to receive communion from Pope Francis himself, but to no avail." In other words, Pelosi will have to turn directly to the Creator to ask for forgiveness for his many sins.
- **We also saw Elon Musk come out of a 9-day silence on Twitter** to show a photo of himself and his family with Dad. Dad, with whom he poses in the picture, looks more like the original than the Avatar who played his role. Musk was protected, our sources in the Vatican say. However, it could be lifted depending on his actions in the coming months, they say. He should also go public and talk about his relationship with DARPA.
- **We also received this reader's report on US President Donald Trump:** Earlier this month, I was at the Trump National Golf Club in Westchester, New York, in the same room with President Trump, Member of the House of Representatives Alice Stefanik and Member of the House of Representatives Claudia Tenney. Their discussion focused on the primary elections, where most of the candidates endorsed by President Trump achieved good results. The main problem he stressed was the integrity of the elections: paper ballots, voter ID cards, counting them here in the United States, the absence of ballots only for military personnel stationed abroad. Border protection also remains a top priority. He called the fake news that tainted concerns about election fraud a "big lie," said a few kind words about a dozen other wonderful people, and then drove off in a Chevy Suburban trailer. I'm pretty sure it was a real guy.
- **Last week, there were also serious military actions** of the White Hats in the Carolinas. It appeared in the news as a "mysterious swarm of earthquakes" centered around Ft. Jackson Military Base in the Carolinas. According to CIA sources: "The White Hats Military Alliance destroyed several bombs with special explosives that looked like small earthquakes. The entire system of underground tunnels used for the trafficking of children and the transportation of nuclear materials was destroyed all the way to the Atlantic."

- **Speaking of "White Hats,"** the Japanese military sent us a photo to confirm their statement that actor Bruce Willis is now playing the real role of Prosecutor John Durham, who "pursues bad guys."
- **There is also a high level** of what can only be described as "extraterrestrial" activity being reported across the planet. For example, on July 3, when the CERN accelerator in Switzerland started working, this "fiery eye" appeared in the Gulf of Mexico. British Petroleum says it's an "oil fire," but German intelligence sources claim it was some kind of portal that was opened.
- **If that wasn't weird enough for you, how about this:** the video of what looks like reality is divided into two parts. Then, of course, "Off World Craft" appears more every day than it seems. "It seems that they are going to some important event," a CIA source suggests. <https://t.me/draftworld/72>

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube http://www.youtube.com/watch?v=F626Lsrdwg4](#)

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped,

tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

P. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Q. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

R. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

S. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
